# Accommodation

## Lidgetts Grant Lodge Self-Catering Cottages & Annex

Netherwood offers 8 self-catering farm cottages, a short 1.9 km away from our reception venue, with an additional 6 rooms forming part of an annex a stone's throw away from the lodge. This makes it popular with wedding guests, however, we're also firm favourites of fishermen looking for some peaceful catch-and-release fishing in the adjacent trout dam for the cottages, followed by couples looking for romantic getaways and families escaping the city grind. There is a farm experience for everyone at our cosy accommodation.

Netherwood Cottages are part of the working farm, meaning you will encounter cattle, wildlife (heron, fish eagles, crested cranes, zebras, ostriches, reedbuck, duiker and alpaca, to name a few) and resident dogs. We recommend leaving pets at home when visiting. Although most of the animals are used to visitors by now, please keep a respectful distance.

All the cottages are equipped for self-catering, if you're looking for a fullbreak away, meals can be enjoyed at Blueberry Café and Blueberry Brewery at the top of the hill - a brisk walk or very short drive away. The nearby restaurants of Nottingham Road (and beyond on the Midlands Meander) offer alternative dining options, so you won't be left wanting more.
