

Welcome to

Blueberry Café

at netherwood farm

Since 2008, our farm and café have grown together, rooted in the land and guided by a love for wholesome food. Fresh herbs and vegetables are gathered from our gardens, free-range hens gift us golden eggs, and our No Nonsense Netherwood Beef is raised with care. What we cannot grow ourselves, we source thoughtfully from trusted local farmers.

Here, every corner holds a story. The Drakensberg paints the horizon, Ankole cattle graze across rolling fields, alpacas wander curiously through the gardens, and the air carries the song of birds. If you are lucky, an ostrich or two may even stroll by for a drink.

Wander the farm and find your own magic- from the deli shelves to the brewery taps, from the laughter of the farmyard to the stillness of the gardens. At Netherwood, every visit is a memory waiting to be made, and we cannot wait to share it with you.
